In Memory of

Bret Macomber

We cannot say, and we will not say
That they are dead — They are just away

With a cheery smile and a wave of hand
They have wandered into an unknown land,

And left us dreaming how very fair
It needs must be, since they linger there

Think of them still as the same, we say;
They are not dead — They are just away.

Congratulations!

If you are a senior graduating from
Lewiston High School this year you have

- been around the sun 18 times
- spent 12 years in the school systems
- or 144 months
- or 2160 days in class (counting off for weekends, holidays, summer, and hookey)
- or 12,960 hours in class (counting off for lunch, recess, and tardiness)
- or approximately one-fourth of your waking life studying
- which is roughly 308 times longer that it took God to create a new world from scratch.

Go thou and do likewise!

Row 1: Marie Evitt, JoAnn Eacker, Sandra Phillips, Leonne Lovejoy.

Our Bus Drivers

Cecilia Anderson, Susan Axtell, Leona Davis, Kay Desautel, Virginia Ellsworth, Hazel Germer, Sharon Liming, Gwen Mathison, Edith Miller, Margaret Movius, Kathy Starnes, Mya Viers, Wilma Wright.

Our bus drivers have lasted thru screams and yells, bubble gum and water balloons, feet on the chairs and arms out the windows and flat tires and boiling radiators. To and from Lewiston High School, up to 20 miles away. These dedicated men and women drive to get each student safely to his or her destination.

A bus driver's work is not that easy. Up at 5:45 a.m. to be at the bus garage by 6:45 a.m. Along their varied routes they pick up many "I've got the school day blues" students. Then up to the Junior Highs, then to the grade schools. After the morning delivery, they recuperate shortly, for at 2:15 p.m. they all meet again and file down to the High School to deliver anxiously awaiting teenagers home again.

But the normal day bus routes are not all inclusive in the bus driver's routine. Bus rides to out-of-town games in such far off places as Meridian and Kellogg, band conventions in Reno and Journalism conventions in Moscow.

All these things and many more fill up a bus driver's life. In these small lines we'd like to say "thanks" for staying with us thru all this.

Homecoming Committee

HOMECOMING

The details of the homecoming float, the place to store it, materials, manpower and knowledge of how to build it . . . We lacked all of these prerequisites for building and maintaining it, but somehow we managed. And out of it all we produced a shakey masterpiece

The details of the dance, the flowers, crowns, the Homecoming assembly and especially the funds were badly needed, yet we, as a group waded through it all.

The excitement for the royalty, the enthusiasm for the game, and the pressure on the football team . . . On our minds were many things, but when the night finally came we performed at our best to top off all the work and thoughts that went into it.

My hair turned gray and my stomach was ulcered but I'd never trade the experience.

The L.H.S. Deca Club is one of the most active club in the school. Besides providing the candy counter for all the students, they have a long list of other activities for this year. They had an exchange picnic with Clarkston's Deca, participated in Western Regional Leadership Conference in Cover d' Alene, and they hosted the State Deca Conference in April. The Deca Club had two sleigh riding parties at Winchester, and rented the Red Baron for big pizza parties!!

Award Winners

The 1974-75 football season was highlighted by the annual Football Awards Banquet. Four outstanding football players of the season were chosen by the football players. They were, from left to right, Pat Wallinger as the Most Improved Football Player, Bruce Imel as Mr. Hustle, Curt Crum as the Outstanding Line-man of the Year and Rolly Phillips as the Outstanding Back of the Year.

"The pride football team at Lewiston High School was characterized by togetherness and spirit. These boys represented their school, community, and themselves in a manner that made me proud to say that I was associated with them. We tied for the Inland Empire League Championship and had a lot of fun playing football. We lost a few games, but we were never defeated."

This year the 1975 Bengal staff, under the management of our advertising manager Terry Welch, has greatly expanded our advertisement section in order to bring about this memory-filled yearbook. Our advertisements have sprung up from \$1500, as in previous years to \$2100.

In years to come, the students will look back upon their yearbooks, noticing these businesses which have advertised with us, and your ad, no matter how small, can greatly contribute to future profits in your business.

To all who made it possible for us to recapture through this book the fun and accomplishments of our senior year, we extend our appreciation.
